**HOPE FOR THE HUNGRY, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

**1. Summary of Significant Accounting Policies**

*Nature of Activities*

Hope for the Hungry, Inc. (the Organization) is a Texas non-profit corporation chartered on December 13, 1982. The Organization is dedicated to sharing the "Bread of Life" with a starving world, that is fulfilling the mandate of Jesus Christ to minister to the needy through physical and spiritual assistance. Meeting both the physical and spiritual needs in countries where it's missionaries serve, the ministry emphasizes ministry to children through resident care facilities, personal evangelism and discipleship, and development projects. Cooperative Ministries, the missionary arm of the ministry, provides administrative, practical and spiritual support for its independent and staff missionaries.

*Basis of Accounting*

The financial statements are prepared on the accrual basis of accounting. Using this method, revenues are recognized when earned and expenses are recognized when incurred.

The accounts of the Organization are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds have been combined and presented for the Organization as a whole in accordance with the provisions of Statements of Financial Accounting Standards No. 117, "Financial Statements of Not-For-Profit Organizations."

*Cash and Cash Equivalents*

For the purpose of the statement of cash flows, cash equivalents are defined as cash deposits and certificates of deposit with original maturities of less than 90 days.

*Fixed Assets*

Fixed assets are stated at cost, if purchased, or estimated fair market value at the date of gift, if donated. Additions, renewals, and betterments are capitalized whereas expenditures for maintenance and repairs are charged to expense. The cost and related accumulated depreciation of assets retired or sold are removed from the appropriate asset and depreciation accounts, and the resulting gain or loss is reflected in income, except for gain or loss on assets traded where it is reflected in the basis of the newly acquired asset.

**HOPE FOR THE HUNGRY, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**1. Summary of Significant Accounting Policies (continued)**

*Fixed Assets, continued*

It is the policy of the Organization to provide depreciation based on I.R.S. methods and useful lives of the individual units of fixed assets. Depreciation of buildings is provided over periods of 15 to 39 ½ years using the straight-line and accelerated methods of depreciation. Depreciation of furniture and equipment and transportation equipment is provided over periods of five to seven years using the straight-line and accelerated methods of depreciation.

*Tax Exempt Status*

The Organization is an exempt organization under Section 501(c) (3) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in these financial statements. The Organization has been classified as a publicly supported organization which is not a private foundation under section 509 (a) of the code.

*Contributions*

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Gifts of cash or other assets are reported as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Donated Property and Equipment*

Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at the time.

No amounts have been reflected in the financial statements for donated services. The Organization pays for most services requiring specific expertise.

**HOPE FOR THE HUNGRY, INC.**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**1. Summary of Significant Accounting Policies (continued)**

*Employees*

Salaries of the employees of the Organization are accumulated in a special fund that has been so designated by the donor and do not burden the operating fund of the organization.

*Children's Homes*

All contributions for children's homes fund and sponsorship programs are 100% designated to these respective programs. Administrative costs are not deducted from the contributions to these programs.

*Missionaries*

Personal ministry accounts (i.e., Kramka Ministry) reflect funds expended in the ministry activities of the individuals names and do not reflect wages paid.

The Organization withholds estimated income taxes for their missionaries and pays the IRS on Form 1040ES as directed by the missionaries. This is done as a service for the missionaries.

*Functional Allocation of Expenses*

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities.

Costs are allocated between fund raising, management and general or the appropriate program based on evaluations of the related benefits. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Accordingly, actual results could differ from those estimates.
